## **SERVICES**

We have developed a package of personalised services including, for example, the airport service (Geneva/Zurich) which assures the client total service right up to the Check In desk. Our fleet of vehicles offers several transportation possibilities and flexibilities. For example, we are able to tailor make your own itinerary for the panoramic discovery of Switzerland and neighbouring countries.

## **EXCURSION : GRUYERE**

Set in a stunning alpine panorama, the city of Gruyères offers the visitor picturesque architecture, local artisans, charming restaurants and hotels.

Surrounded by medieval walls, this ancient capital is centred around the market square. Gruyères is the gateway to the core of history, to the medieval era. The prestigious area will transport you beyond time.

### **EXCURSION : ZERMATT**

This gorgeous mountain village at the base of the majestic matterhorn has become one of the major winter and summer resorts of Switzerland. There are no motorized vehicles in Zermatt, only horse-drawn sledges. Some electric cars are the only other form of permitted means of transport (taxi service). Zermatt and its surroundings offer the visitor an infinite variety of walks and mountain hikes. A vast network of marked paths will lead you through forests to lakes and glaciers. The sophisticated cable car service facilitates the discovery of walks and hikes at higher altitudes. There are numerous mountain restaurants where you can relax!
